Corrections

Optical filters inhibiting television-induced photosensitive seizures

In the article “Optical filters inhibiting television-induced photosensitive seizures” by Takahashi et al. (*Neurology* 2001;57:1767–1773), an author's name was inadvertently omitted. T. Ito, PhD, should be the seventh author listed. The publisher apologizes for this error.

Effects of vagus nerve stimulation on respiration during sleep

In the reply to the letter to the editor regarding the article “Effects of vagus nerve stimulation on respiration during sleep” (*Neurology* 2001;57:1523–1524), four co-author names were inadvertently omitted. The authors' names should read as follows: Beth A. Malow, MD, MS, Jonathan Edwards, MD, Mary Marzec, BS, Oren Sagher, MD, Gail Fromes, MS, RN, *Ann Arbor, MI*. The publisher apologizes for this error.
