Severe neurologic complications after hematopoietic stem cell transplantation in children

In the article, “Severe neurologic complications after hematopoietic stem cell transplantation in children” (*Neurology* 2002;59:1895–1904) by Faraci et al., the curve regarding “Unrelated donor” recipients was incorrect. The author apologizes for this error. The correct figure is printed below:

Use of *Ephedra*-containing products and risk for hemorrhagic stroke

In the article, “Use of *Ephedra*-containing products and risk for hemorrhagic stroke” (*Neurology* 2003;60:132–135) by Morgenstern et al., the author R.I. Horwitz should have been listed as an MD.
