Leukoencephalopathy with vanishing white matter: An adult onset case

In the Clinical/Scientific Note “Leukoencephalopathy with vanishing white matter: An adult onset case” (*Neurology* 2003;61:1818–1819) by Biancheri et al., the authors describe a patient homozygous for the R118H mutation. The text should instead read R113H mutation. The authors apologize for this error.
