Publication of this supplement is supported by the National Institute of Neurological Disorders and Stroke (NINDS), at the National Institutes of Health (NIH). All recommendations disseminated in this issue are the sole product of the Working Group for Health Disparities and Inequities in Neurological Disorders of the National Advisory Neurological Disorders and Stroke Council (NANDSC). The NINDS gratefully acknowledges the participation of the Working Group members as well as the full NANDSC, who adopted the Working Group's recommendations in their statutory advisory capacity to the NINDS. NINDS staff provided logistical support and conducted programmatic analyses to aid in the Working Group's deliberations.
