Correction

Behavioral symptoms in mild cognitive impairment

In the brief communication “Behavioral symptoms in mild cognitive impairment” (*Neurology* 2004;62:1199–1201) by Feldman et al., the authors have an error in the Methodology section. The less than sign should have been the greater than sign in the following sentence: “Exclusions to the study included a 17-item Hamilton Rating Scale for Depression (HAM-D) score of >13, a HAM-D Item 1 (depressed mood) score ≥ 1 , or a DSM-IV major depression diagnosis at the time of screening.” The authors apologize for this error.
