Intrathecal EBV antibodies are part of the polyspecific immune response in multiple sclerosis

In the article “Intrathecal EBV antibodies are part of the polyspecific immune response in multiple sclerosis” by C. Otto et al. (Neurology® 2011;76:1316–1321), there is an error in the data. Three “patients with cerebral PTLD” should have been designated as “patients with presence of EBV in the CNS.” This error does not change the conclusions of the paper. The authors regret the error.

Provocation of migraine with aura using natural trigger factors

In the article "Provocation of migraine with aura using natural trigger factors" by A. Hougaard et al. (Neurology® 2013;80:428–431), there is an error in the author list. The second author’s complete name should read Faisal Mohammad Amin. The authors regret the error.

Author disclosures are available upon request (journal@neurology.org).
