Meningeal inflammation in multiple sclerosis: The key to the origin of cortical lesions?

In the editorial “Meningeal inflammation in multiple sclerosis: The key to the origin of cortical lesions?” by Caterina Mainero and Celine Louapre (*Neurology*® 2015;85:12–13), there is an error in the references. Reference 6 should read: *Neurology* 2015;85:18–28, rather than Volume 84 as originally published. The publisher regrets the error.
