Ain't no fight this fight,
No war to win, man.
Keep it simple.
Keep it real.
No need for military metaphors.
I'm into hobbling, now: hobbling and limping,
this right foot keen for dropping,
which means lots of free falling.
Lots of pragmatic looking down
keeping eyes wide open all the time
on this broken down leg of mine.

I'm so assigned,
I walk the line.
