Practice guideline update summary: Efficacy and tolerability of the new antiepileptic drugs II: Treatment-resistant epilepsy
Neurology® 2018;91:1117. doi:10.1212/WNL.0000000000006636

In the article “Practice guideline update summary: Efficacy and tolerability of the new antiepileptic drugs II: Treatment-resistant epilepsy” by Kanner et al., there is an error in the abstract, which should have read “2004 criteria were used to systematically review literature” rather than “…systemically review…” as originally published. The authors regret the error.
