

## The genetic basis of undiagnosed muscular dystrophies and myopathies

Results from 504 patients

*Neurology*® 2019;93:371. doi:10.1212/WNL.0000000000007477

In the article "The genetic basis of undiagnosed muscular dystrophies and myopathies: Results from 504 patients" by Savarese et al.,<sup>1</sup> the degree listed for the eleventh author, Dr. Alessandra Ruggieri, should be MSc rather than PhD. The authors regret the error.

### Reference

## Congenital autophagic vacuolar myopathy is allelic to X-linked myopathy with excessive autophagy

*Neurology*® 2019;93:371. doi:10.1212/WNL.0000000000007478

In the article "Congenital autophagic vacuolar myopathy is allelic to X-linked myopathy with excessive autophagy" by Munteanu et al.,<sup>1</sup> the degree listed for the third author, Dr. Alessandra Ruggieri, should be MSc rather than PhD. The authors regret the error.

### Reference

## Congenital muscular dystrophies with defective glycosylation of dystroglycan

A population study

*Neurology*® 2019;93:371. doi:10.1212/WNL.0000000000007479

In the article "Congenital muscular dystrophies with defective glycosylation of dystroglycan: A population study" by Mercuri et al.,<sup>1</sup> the degree listed for the twenty-fifth author, Dr. Alessandra Ruggieri, should be MSc rather than PhD. The authors regret the error.

### Reference

## INTREPAD

A randomized trial of naproxen to slow progress of presymptomatic Alzheimer disease

*Neurology*® 2019;93:371. doi:10.1212/WNL.0000000000007919

In the article "INTREPAD: A randomized trial of naproxen to slow progress of presymptomatic Alzheimer disease" by Meyer et al.,<sup>1</sup> first published online April 5, 2019, Dr. Lafaille-Magnan's name should appear in the author list as Marie-Elyse Lafaille-Magnan. The authors regret the error.
