Imaging biomarkers for malignant peripheral nerve sheath tumors in neurofibromatosis type 1

*Neurology®* 2020;94:504. doi:10.1212/WNL.0000000000008669

In the article “Imaging biomarkers for malignant peripheral nerve sheath tumors in neurofibromatosis type 1” by Ahlawat et al., first published online ahead of print August 8, 2019, the order of the histology slides in figure 4 should have appeared as in the revised figure below. The figure appears correctly in the September 10, 2019, issue. The authors regret the error.
