**Call for Voices: Lived Experiences**

The Editors of the *Neurology* specialty site Equity, Diversity, & Inclusion encourage you to submit short first-person accounts (1,000 words or less) of experiences lived within the realm of equity, diversity, and inclusion (EDI) with the goal of informing and enlightening our community on these critical issues. Some topics to consider include, but are not limited to:

- Descriptions of personal experiences that shaped your views of EDI.
- Reflections on the intersection between personal identity and career.
- Discussions at the intersection of EDI and neurology patient care, research, education, advocacy, or policy.

Submit your contributions to journal@neurology.org and include “Voices Submission” in the subject line.
This information is current as of January 1, 2021
