## Correction

### ALS is a multistep process in South Korean, Japanese, and Australian patients

In the infographic corresponding with the article "ALS is a multistep process in South Korean, Japanese, and Australian patients" by Vucic et al.,<sup>1</sup> published online February 18, 2020, and in print April 14, 2020, the labels for the pictures of South Korea and Japan should be switched so that South Korea reads as a 5-step process and Japan reads as a 6-step process. The editorial team regrets the error.
