American Academy of Neurology Code of Professional Conduct

In the Special Article “American Academy of Neurology Code of Professional Conduct” by Russell et al.¹, the following paragraph should have been included after the first paragraph in the Acknowledgement section:

The authors wish to acknowledge and express deep gratitude to the authors of the original code of professional conduct: James L. Bernat, MD, and H. Richard Beresford, MD, JD, in collaboration with the other then-current members of the AAN Ethics and Humanities Subcommittee. Drs. Bernat and Beresford's original document, much of which is preserved in this revised code, continues to be a highly valued, dynamic, and seminal work for neurology.

The authors regret the omission.
