Disclosures: The author reports no disclosures relevant to the manuscript..

Workup is benign.

Parents breathe. Baby kicks, coos.

A febrile seizure.

With time, across space,

A young mother is stricken.

Demyelination.

Slow, humbled, genteel.

An old athlete stoops, deprived

Substantia nigra.

Right? Left? Which is which?

“Grandpop” searches his hands, sans

Angular gyrus.

“Sue, it’s Jim... it’s me.”

Eyes meet briefly in love past

Plaques and tau tangles.

In analyzing

May we all ever see the

Human before us.

Neurology®

A consideration for our daily work

Nicholas Brennecke
